Dear Parents/Carers

Home-School Agreement

At Brimpton School we believe it is very important that the children's education should be a partnership between home and school. Children benefit greatly when their teachers and parents work together to help them.

We are writing on behalf of the staff and governors at Brimpton to ask for your support in strengthening this partnership. We want all the children to feel confident that their parents and teachers share in caring about their education, and so we ask all parents and guardians to sign the Home-School Agreement every year.

For our partnership to be effective, it is essential that we all agree about what we expect from each other and the Home-School Agreement sets out our responsibilities clearly. A copy is attached to this letter. May we please ask you to read it carefully and discuss it with your child, sign and return it to school in order for us to keep our records up-to-date.

Thank you very much for your support and encouragement for everything we are doing here at Brimpton. With your help we are able to provide each child with a rich education in a nurturing environment.

Yours sincerely,

Brenda Harding
