Head Teacher: Mrs Heidi Davies

## Our Vision

*At Brimpton we are an inclusive church school who takes its inspiration from St Peter. John 21 3-19. The picnic on the beach celebrates that God holds each of us in his net of love. Our vision is always to provide a safe, happy and nurturing environment for our Brimpton family.*

Dear Parents

## **Re: Catering Change**

We are writing to inform you of an exciting update regarding our school catering service, which will take effect from September 2025.

After carefully reviewing our current food provision we have decided to partner with a new catering company, **Hungry Moose**, starting in the new academic year. This decision has been made due to our current catering company not renewing their contract with us and Aldermaston School.

It has become increasingly difficult for most small schools to find catering companies as sadly they do not make any profit from us!

We have had to find caterers who can cook the food off-site and deliver to school ready for lunchtime. We have to have our own server to give out the food. We have looked at several companies that offer this service and Hungry Moose is the company we have decided to go with.

The new catering team is committed to working closely with the school community to ensure that meals are enjoyable and meet the needs of our pupils. We have taste tested the food which was delicious!

## **What this means for Parents:**

- Hungry Moose have a different platform for ordering and paying for meals.
- Cypad via ParentPay will no longer exist for school dinners
- ***Meals will need to be ordered a week in advanced at home, there will no longer be the facility to order from school. Many local schools are now doing this***
- The school will not be involved in school dinner payments, all reminders and information will come from Hungry Moose

- If you forget to order dinners, you will have to bring in a packed lunch for your child, we will not have the facilities to order for you and the catering will be managing payments as stated.

Further information, including menus, pricing, dietary requirements and the app/platform to download, will be shared with you before the end of the summer term.

As a small school we have no other choice but to go down this road. We understand completely that this is another platform you will need to navigate (the same for Mrs Vockins and Mrs Bridger) but we look forward to this positive change and to providing our pupils with nutritious meals they can enjoy. Thank you for your continued support.

Best Wishes
