

Brimpton CE Primary School

Amazing things happen here ...

Term: Summer 4

15th May 2026

Dear Parents

Hope you all had an enjoyable bank holiday last week.

SATS

Well done to our amazing superstars Year 6. Everyone did their SATS to the best of their ability. We are so proud of each and every one of our Year 6. We all enjoyed our lunch treat at the Berkshire Arms on Thursday just to celebrate and be together. We are very grateful to the Berkshire Arms that were so kind and paid for the children's puddings to say well done from them too! The whole school has felt a bit out of routine this week and everyone has made such a difference to each other by being kind and caring, mindful of doors opening and closing and using quiet voices. Brimpton team you are amazing!

Summer Reading Challenge

I am pleased to be able to share with you some advance information about this year's [Summer Reading Challenge](#), which is called Read to the Beat, developed by [The Reading Agency](#) in partnership with libraries and powered by Universal Music Group UK.

The theme this year is all about inspiring children to explore the connection between stories and songs, discovering how reading and music both ignite imagination and creativity. As with our previous challenges, this will run across all West Berkshire Libraries from 1st July to 15th September 2026. Children will once again be encouraged to read up to six library books to

complete the challenge and collect incentives from their local library to mark their reading achievements. Joining the Summer Reading Challenge and all the materials linked to it are free of charge, as is library membership and book borrowing. More information to follow nearer the time.

It's Disco Time

Thank you once again to DJ Rob for hosting our disco and giving the children a fantastic time with lots of amazing music and dancing. It was lovely to see this event so supported and to see all the disco clothes and outfits worn!

Ragtime - These workshops are such an amazing opportunity for children over the summer holidays. Not only does it provide a chance for the children to develop socially, but it also gives them an opportunity to grow in confidence. Sookie's mum Georgia runs Ragtime, and I have experienced these workshops first hand! I would highly recommend.

Our Vision

At Brimpton we are an inclusive church school who takes its inspiration from St Peter. John 21 3-19. The picnic on the beach celebrates that God holds each of us in his net of love. Our vision is always to provide a safe, happy and nurturing environment for our Brimpton family.

Curriculum Corner

Our world

Why not become a nature narrator - get your child to film or record themselves - narrating scenes of wildlife (ants, birds etc) they could practise using an awe filled voice!

Or why don't the children write a voice of nature pledge - what is their promise to the world?

Please bring them into school to share with us

- **Become a Nature Narrator:** Get students to film or record themselves narrating scenes of local wildlife (ants, birds, foxes) in a calm, awe-filled voice.
- **"Voice for Nature" Pledges:** Encourage students to draft a promise to the natural world, linking to environmental conservation.

Prayer Corner

Thank you Lord for Sir *David*
Attenborough

Through his boundless curiosity, gentle wisdom and unwavering dedication, he has opened our eyes to the beauty of our planet, and to its fragility, reminding us of our collective responsibility to protect it.

Amen
