Brimpton CE Primary School Equality Report and Objectives

The Equality Act 2010 requires us to publish one or more specific and measurable equality objectives. We aim to address areas where we need to take action to improve equality and tackle disadvantage.

Our objectives for 2024-2025 were as follows:

Objective 1

To review the Behaviour Policy and ensure consistently to all children, including those with protected characteristics, by implementing the "It's Good to be Green" Behaviour Management Scheme. The children's behaviour is celebrated and logged by the Head Teacher.

This objective was met with positive comments received from the Ofsted Inspector.

Objective 2

To promote respect for all ages within the community by actively engaging older members with regular communications and events.

The objective was met with multiple events held.

Objective 3

To maintain good relationships by supporting a UK charity.

This objective was met.

Our Objectives for 2025-2026 are as follows:

Objective 1

To promote children being independent learners by using a Therapeutic Thinking dialogue and celebrating positive behaviour with the "It's Good to be Green" programme.

Objective 2

To continue to promote respect for all ages with our Brimpton community by working alongside all stakeholders. We aim to prepare all children for life in modern Britain and show an understanding of British Values.

Objective 3

To consult with the School Council and facilitate children in supporting charities and events. To use "pupil voice" as a powerful tool to communicate children's ideas and feelings about our school including supporting charities.

These objectives will be incorporated within the whole School Development Plan.
